Quarterly Meetings

The NCHBA holds four meetings each year, during which the NCHBA Committees and Board of Directors meet. The Quarterly Meetings are an opportunity for members from across the state to meet and discuss issues affecting the home building industry. The ideas, goals and plans discussed at the meetings help guide the future of the association and the industry. All members are invited to join a committee of their choice and sit in on the Board of Directors meetings.

Committees do not meet during the 21st Century Building Expo & Conference.

Please e-mail Heather Massengill at hmassengill@nchba.org if you would like to receive reminder notices about upcoming quarterly meetings.
